What I See

Do you see what I see do you see what I see
I see lightning I hear thunder
Something stirring six feet under
Dead things coming back to life again
I believe there's about to be
Another resurrection

I see signs and I see wonders
I see bursts of living color
Dead things coming back to life again
I believe there's about to be
Another resurrection

Come alive wake up sleeper
He is risen we are risen with Him

Hallelujah it is finished
See the grave no body in it
Dead things coming back to life again
I believe there's about to be
Another resurrection

Come alive wake up sleeper
He is risen we are risen with Him
Paradise flung wide open
He is risen we are risen with Him

If you see what I see that the grave is empty
Then you know what I know
Anything is possible
If you see what I see that the grave is empty
Then you know what I know
Anything is possible

Do you see what I see do you see what I see
Do you see what I see
(I see signs and I see wonders)
Do you see what I see
(I see lightning I hear thunder)
Do you see what I see
(Something stirring six feet under)

Come alive wake up sleeper
He is risen we are risen with Him
Paradise flung wide open
He is risen we are risen with Him

Nail Scarred Hands

My past became my prison
Love was waiting with the key
My story was my failure
Now my story is redeemed

My freedom's written in
Your nail scarred hands
Where there was sin and shame
The cross now stands
The grave no longer tells me who I am
'Cause my freedom's written in
Your nail scarred hands (*repeat*)

Your blood has paid my ransom
Your wounds have made me whole
Now everyday is brighter
Your love's a miracle

I'm alive I'm alive yes I am free indeed
I'm alive I'm alive You resurrected me
I'm alive I'm alive oh death where is your sting
I'm alive I'm alive I'm claiming victory

Promises

God of Abraham God of covenant
And of faithful promises
Time and time again You have proven
You'll do just what you said

Though the storms may come
And the winds may blow
I'll remain steadfast
And let my heart learn when
You speak a word it will come to pass

Great is Your faithfulness to me
Great is Your faithfulness to me
From the rising sun to the setting same
I will praise Your name
Great is Your faithfulness to me

God from age to age though the earth
May pass away Your word remains the same
Your history can prove there's nothing
You can't do You're faithful and true

I put my faith in Jesus
My anchor to the ground
My hope and firm foundation
He'll never let me down *(repeat)*

Firm Foundation (He Won't)

Christ is my firm foundation
The Rock on which I stand
When everything around me
Is shaken I've never been more glad

That I put my faith in Jesus
'Cause He's never let me down
He's faithful through generations
So why would He fail now
He won't He won't

I've still got joy in chaos
I've got peace that makes no sense
So I won't be going under I'm not held
By my own strength

'Cause I build my life on Jesus
He's never let me down
He's faithful in every season
So why would He fail now
He won't He won't
He won't fail He won't fail

Rain came and wind blew
But my house was built on You
I'm safe with You
I'm gonna make it through *(repeat)*

Yeah I'm gonna make it through
'Cause I'm standing strong on You
Yeah I'm gonna make it through
'Cause my house is built on You

Good Good Father

I've heard a thousand stories
Of what they think You're like
But I've heard the tender whisper
Of love in the dead of night
You tell me that You're pleased
And that I'm never alone

You're a Good Good Father
It's who You are It's who You are
It's who You are and I'm loved by You

It's who I am it's who I am it's who I am

I've seen many searching
For answers far and wide
But I know we're all searching
For answers only you provide
Because you know just what we need
Before we say a word

You are perfect in all of Your ways
You are perfect in all of Your ways
You are perfect in all of Your ways to us

Love so undeniable I can hardly speak
Peace so unexplainable I can hardly think
As You call me deeper still
As You call me deeper still
As You call me deeper still
Into love love love
