STUDENT PROCEDURES

2023-2024

August 2023

Dear Students:

Your middle school years mark a new beginning with new academic challenges, new opportunities and the development of new friendships. You will have more freedom than you had in the elementary schools, but these years also bring with them increased responsibilities. You will learn to make more mature decisions about school and your personal life, and with some help from those around you, you will meet success in both. We are here to help and guide you in the process of growing up from childhood to your early adolescent years.

This procedure guide is just one resource available to help you understand your middle school and to better prepare you for the challenges and rewards of your middle school years. We ask that you and your parents read it carefully together so that you will have a thorough understanding of all the features of our school. Teachers, counselors and administrators will be happy to answer any questions you may have.

Welcome to Scotts Ridge Middle School!

Sincerely,

Timothy J. Salem
Principal

SOME HELPFUL INFORMATION

ARRIVAL

The school day begins at 8:00a.m. in homeroom. However, students should be given enough time to arrive at school, go to their locker, and walk to homeroom by 8:00. *Any student who arrives at school after 8:00 must sign-in at the Main Office as a late arrival to school.*

AFTER SCHOOL & SOCIAL ACTIVITIES

During the year, the PTA will be sponsoring evening “social” activities. (Check the PTA newsletters for specific events.) Administrators and teachers typically chaperone these events and will be assisted by parents. **Students may not leave during school-sponsored events for any reason unless they have a note from their parent or guardian.** *These activities are for students enrolled at SRMS. No guests may attend.* After school clubs will be offered throughout the school year. Check the SRMS website under SRMS Clubs for more information and sign up!

ATTENDANCE

Each day new material and information are presented in school. It is important for you to be present to gain this new information or to ask questions. For this reason, we discourage students from missing school except for health or personal emergencies. At SRMS we use **School Dismissal Manager** to manage absences.

BACKPACKS

Students will be using backpacks to carry their books/materials from class to class throughout the day. They will NOT be allowed to go to their lockers in between classes or during instructional time. At the start of each year, students are issued a personal locker with its own unique combination. **Students can only access their locker three times a day, upon arrival at school, on their way to lunch, and at the end of the day at dismissal.**

BICYCLES

Students are allowed to ride their bicycles to school. If they do ride one, please remind them that they need to park and secure it properly in one of the bike racks in front of the building. They can lock and chain it to a rack. The school is not responsible for stolen or damaged bicycles.

BUS NOTES

Parent permission is required in order for your child to ride a different bus or their regular bus but stop at a different stop. You must enter this in SDM as an exception. **No bus notes will be accepted over the phone or via email.**

SRMS CODE OF CONDUCT

The Scotts Ridge Middle School STAR matrix defines the expectations for students in different areas of a school day. Lessons exploring each of the components of STAR – *Safety, Trust, Accountability, Respect* – are conducted with students and reinforcement through the classroom and advisory which occurs throughout the year.

CELL PHONES & OTHER ELECTRONIC DEVICES

In an effort to support our students being present and engaged during the school day, we have created formal cell phone expectations. The use of cell phones is not permitted for students at any time during the school day. At no time shall a cell phone or electronic device be used in a bathroom or locker room.

 - **Expulsion** - Any student whose conduct on school grounds or at a school sponsored activity violates a publicized policy of the Board, or seriously disrupts the educational process or endangers persons or property may be expelled. COURSE SELECTION

World Language and Music course selections are made when you are transitioning to sixth grade, and those choices will automatically continue year to year. Requests to change a selected course should be made through your guidance counselor.

DAILY SCHEDULE

Two-Day Cycle: This may sound confusing at first, but it is how we organize our schedule. We start the first day of school on *Day A*, and the following day is *Day B*. Then we start on *Day A* again. This cycle determines what special subjects (P.E., music, etc.) you will have each day.

DRESS GUIDELINES

Scotts Ridge Middle School students take pride in their personal appearance; they understand that appropriate attire and grooming reflect positive training received at home. At no time should clothing detract from a student's attention to the academic process. Students wearing attire that is disruptive to the educational process, dangerous to personal safety, advocates substance abuse or makes sexist/inappropriate statements will be asked to change. Fads in attire or grooming sometimes tempt students to persuade parents that "all the kids are wearing this." To help students and parents make constructive decisions regarding dress, we have provided basic guidelines detailed below with the intent of sustaining the positive learning environment at SRMS.

The following should not be worn during the school day:

- Hats, bandanas, caps or hoods
- Clothes with obscene (sexually charged, suggestive, offensive) or profane language or illustrations
- Clothes that promote or display alcohol, tobacco or drug-related products

Additionally:

- All tops must meet or exceed waistband in length
- Undergarments must be completely covered at all times
- Attire and grooming must meet specific health and safety requirements in courses such as gym and science; additional requirements may be presented by teachers of those courses and other courses
- Footwear must be worn at all times
- We strongly discourage the wearing of shirts and sweatshirts that commemorate private celebrations as it contributes to cliques and students feeling excluded.

As a result:

- Students whose attire does not meet the above standards will be asked to address concerns brought to their attention. Additionally, they may be asked to meet with a school counselor or school administrator.
- Parents may be contacted to bring appropriate clothing to school.

EARLY DISMISSAL

In order for a child to be dismissed early from school, you must enter this in SDM as an exception. **No early dismissals will be accepted over the phone or via email.**

EXTRA HELP

At times you may find that you need just a bit more help in understanding the material that has been taught in class. SRMS teachers are free to give extra help on a more individualized basis. Your child must make an appointment with the teacher personally to make the necessary arrangements to meet either before, during, or after school to get extra help.

FIRE/EMERGENCY DRILLS

At the sound of the alarm or an announcement signaling an emergency, students are to evacuate the building.

During class or lunch time:

- Familiarize yourself with the proper exit closest to each of your classrooms. This is posted on the wall in each room. If you are in the cafeteria, exit the building through the front doors of the building and walk to the parking lot.

- Walk quickly to the exit, remaining quiet and staying with your class teacher or supervisor at all times.
- Be alert to the specific instructions given by your teacher, supervisor or public address system when outside of the building.

GRADING SYSTEM

Your academic performance is evaluated through numerical averages and indicated by letter grades on quarterly report cards. All teachers at SRMS use the same numerical ranges for letter grades. They are:

A+	95 to 100	C+	75 to 79
A	90 to 94	C	70 to 74
B+	85 to 89	D	65 to 69
B	80 to 84	F	0 to 64

COUNSELING SERVICES

You never have to feel alone at Scotts Ridge Middle School. In addition to teachers and administrators to help you, you also have a School Counselor to support you. You will have the same School Counselor for three years, and she will always be available to answer your questions, advise you with academic and personal problems and just be around when you need to talk.

The Counseling Department is next to the Main Office. It's easy to make an appointment with your counselor. All you need to do is drop by the Counseling Office between periods, and the secretary will help you set up a meeting with your counselor. Students who need to see their Counselor during the school day must get a pass from the teacher whose class they are missing. Your parents are also welcome to call the Counseling Office with their concerns or questions. Don't wait for your counselor to call you. Come whenever you need to talk to somebody. They are there for you.

The SRMS counselors are:

Grade 6	Mrs. Elizabeth Reynolds
Grade 7	Mrs. Nicki Smith
Grade 8	Mrs. Stephanie Boatman

GUM

Gum chewing is not permitted in school. Chewing gum is distracting in the classroom, and it leads to a great amount of extra clean-up of furniture and halls.

HEALTH OFFICE

Our Health Office is located next to the Counseling Office. Our school nurse is there between 8:00 a.m. and 2:50 p.m. each day. She treats any accidental injuries which occur at school, responds to any medical emergencies and provides supportive care, such as issuing elevator passes to students with crutches and casts. The nurse should be consulted if you have a health problem which might affect participation in school programs. Any physical education excuses from your doctor should be brought to the nurse.

HOMEWORK/EXTENDED ABSENCE

Homework at the middle school is an extension of classroom learning. We expect that you will complete homework as it is assigned, and you can expect that your teachers will recognize your efforts. A few suggestions for homework completion are:

- 📖 Always record assignments in your online planner and or written planner of choice.
- 📖 Set aside regular, uninterrupted homework time each school night.
- 📖 Equip your homework space with a good light, a dictionary, pens, pencils, erasers, paper, etc.
- 📖 Speak to your teacher and/or school counselor if you are having difficulty getting your homework done.

Some suggestions for absences:

- 📖 Go to your teachers' Google Classroom sites.
- 📖 Call another student from your team or class who can share assignments with you.
- 📖 If prolonged illness or emergency results in an extended absence, you or your parent should contact your school counselor, who will help you make arrangements to keep up with your work.
- 📖 Board of Education policy discourages vacations during school time. Teachers are not expected to provide assignments for students who take vacations at times other than school holidays.

ITEMS LEFT AT HOME

Occasionally you may forget your lunch or a book at home. You may call a parent and ask that the item be dropped off at the Main Office. Please remember ***it is your responsibility to stop in the Main Office at an appropriate time to pick up the item.*** If a secretary must call into your classroom to remind you, the entire class is disrupted and instruction is stopped.

LOCKERS

At the start of each year, students are issued a personal locker with its own unique combination. **Students can only access their locker three times a day, upon arrival at school, on their way to lunch, and at the end of the day at dismissal.** They are told not to share their combination with anyone, and to ensure their locker is closed and locked whenever they aren't using it. Students should keep their lockers clean and orderly, and should not place decals or stickers on them or write on them. A student's locker is school property- school administrators may open a locker at any time with "reasonable cause" if they believe that the locker contains items which are prohibited by school rules or state laws.

LOST & FOUND

A “lost and found” area is located in the Main Office. If you’ve lost a valuable object, report it at once to the Main Office. Please do not bring valuables or large sums of money to school where they may be lost. We do everything we can to safeguard private property, but the school cannot be responsible for lost items. Do your fellow students a favor and bring any found objects to the Main Office.

OBLIGATION

Students are expected to take care of the school’s books, technology, materials, and property. Returning items on time and in good condition is very important. Students will be expected to replace any lost or damaged school equipment.

LUNCH PROGRAM

Our lunch period provides a break in the day for a meal and socializing. Students may purchase a full lunch, sandwiches or snacks. The cafeteria is a busy place; therefore, students must abide by all the rules and regulations.

Students have two options for purchasing lunch:

1. School Payment Portal (Go to Quick Links-Parents-Lunch Payments on our website)
2. Cash

Menus can be found on the ridgefield.org website. Look for the *Department >Food Services* tab. Questions regarding the lunch program can be directed to the Food Service Office at 203-894-5550.

MEDICATION

All prescribed and non-prescribed medication for students must be left with the school nurse. ***Students may not carry such medications with them at school.*** New physician’s orders are required at the beginning of each school year for inhalers, epi-pens, ibuprofen, acetaminophen and any prescribed or non-prescribed medications. Please contact the Health Office to make such arrangements. Medications should be picked up at the end of the school year. Any medication not picked up will be disposed of on the last day of school. The nurse and student will mutually agree on the time of administration of medication. ***It is the student’s responsibility to come to the Health Office to receive medication.***

PASSES & PERMISSIONS

We use various forms of passes to keep track of where students are and where they are going during the day.

- ⌚ *In school on time but late for class?* If another teacher has kept you after class, have that teacher give you a pass slip. If you are late without a good reason, you must get to your class as soon as possible and discuss your problem with your teacher, who will determine if it is an excused or unexcused tardy.
- ⌚ *Need to leave the room for a moment?* If you need to leave your room during class time, you must get permission from your teacher, obtain a hall pass and fill in the sign-out sheet. When returning, you must sign in and return the pass.
- ⌚ *Special passes for medical reasons?* You may at some time during the year have difficulty getting from place to place because of a cast, the need for crutches or another medical problem. Have your parents contact the school nurse to arrange for a special pass to allow you time between classes and to help you avoid corridor traffic. ***Only students with an elevator pass may use the elevator.***

REPORT CARDS

PowerSchool is regularly updated by your teachers, so you are always able to check your progress.

STORM ANNOUNCEMENTS

When school is cancelled or delayed due to inclement weather, we like to let everyone know as soon as possible. The quickest way for you to find out is by signing up for the *Superintendent's News Service* by going to www.ridgefield.org or by listening to one of the following radio/TV stations for school cancellations: WEBE (108FM), WEZN (99.9FM), WLAD (800AM/98.3FM), WCBS (880AM), WFSB TV (Channel 3), WTNH TV (Channel 8), WVIT (Channel 30).

Parents should be aware that changing weather conditions may require additional delays or other changes after the initial notification is made.

It is best to continue monitoring information sources for updated delays or cancellations.

TELEPHONE USE & MESSAGES

If you need to make a telephone call *in an emergency*, you may use the Main Office telephone. Please remember that the Main Office is a very busy place and that you should use the telephones there only *in an emergency*. Students should not use classroom telephones to contact parents. Sometimes parents may have to get a message to you. Because the Main Office is so busy, *we can only get messages to students regarding very serious matters.*

VISITORS

All visitors — including parents — must check in with the security guard or at the Main Office and wear an identification sticker while on school grounds. It is also our policy that we are unable to have students who attend other schools accompany students to their classes.

YEARBOOK

Over the last few years the yearbook has grown bigger and better. It's a great memory of the very special days you spent here, and we feel it truly reflects the best of our school and students. You can make it even better by doing great things in school, by working on the yearbook committee or by just remembering to buy one.
