

HEALTHY KIDS, HEALTHY SCHOOLS

HAND WASHING

Upon our return to school, students will wash their hands more frequently in order to reduce the spread of germs. Handwashing will be implemented (but is not limited to) during the following times:

- Upon arrival at school*
- After being outside for physical activity*
- After using the restroom*
- Before and after lunch*
- Prior to leaving school for home*
- After sneezing, coughing, or blowing nose*

Additionally, hand sanitizing stations will be available around campus!
