

HEALTHY KIDS, HEALTHY SCHOOLS

FACE COVERINGS

- Students and staff will be required to wear face masks while on campus when physical space does not allow for maintenance of 6 feet social distancing (*a student who has difficulty breathing or who is incapable of physically removing the face covering on his/her own will not wear face coverings, and alternate methods of protection will be discussed by parents and staff*).
- Face masks must be worn over both the nose and mouth.
- Students will not be required to wear face masks while eating breakfast or lunch; however, masks will be required as soon as they are done eating and while at recess/PE.
- Face masks will be treated as part of the school uniform; parents will receive notification from administration if a student does not adhere to the expectations listed above.
