

### A Message from Our Administrator

Puma Families, in the next few weeks you will be receiving communication from your child's teacher regarding Parent Teacher Conferences. This is an impactful opportunity for home and school partnership that you'll want to be a part of. This year, our Parent Teacher Conferences are scheduled for September 29<sup>th</sup>-October 1<sup>st</sup>. We would also like to share my sincere appreciation for everything our Puma community is doing to keep our campus safe and our students healthy. We continue to follow our district's mitigation plan to ensure we are all doing our part to keep our school open.

### SIGNATURE SCHOOL HIGHLIGHTS

Ms. Sievert is hard at work with her students exploring service careers. Younger students are being introduced to locations of service careers through virtual fieldtrips and exploring the technology required to accomplish these service jobs. Upper grades are collaborating to solve mock crimes and researching career requirements for desired positions.

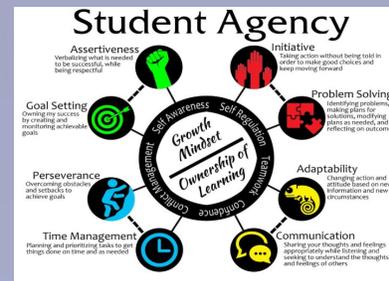

### GRADE LEVEL HIGHLIGHTS

Thank you to all the families that attended our Curriculum Night. Your partnership truly impacts the educational success of the students here at Tres Rios. We are excited to see all that our students are doing at school.

### TECHNOLOGY INTEGRATION

A big thank you to Ms. Collins and Mr. Reina for organizing and helping deliver computers to all students and teachers. Tres Rios is proudly 1:1 from kindergarten to eighth grade.

### STUDENT AGENCY

### CHARACTER DEVELOPMENT

This month we have introduced our new program All Things EQ during breakfast. Listed below are some topics that were discussed this month that you can talk with your child about.

- My day depends on me!
- Are my thoughts helping or hurting me?

### SAFETY

Every month the students and staff conduct safety drills to ensure that students are aware of the procedures and are prepared in the event of an emergency

### MYD

As the year is off an running and summer days start to get cooler, please remember the dress code for our outerwear. Solid dark green, ash gray, burgundy, black or white sweaters and sweatshirts can be worn inside the building. No distinguishable logos or labels on outerwear, unless it's the school logo.

### PBL HIGHLIGHT

Project Based Learning (PBL) is a teaching method in which students learn by actively engaging in real-world and personally meaningful projects. We are excited for This year's PBLs.
