

Help Us Bridge The Gap

What is the Annual Fund

The Annual Fund is a way to bridge the gap between tuition income and the full cost to educate students. Tuition income does not cover the entire operating budget of the school. The full cost to educate a student at St. John Paul II is \$7,528, while the tuition is \$6,550. The Annual Fund will help make up the crucial difference. The difference last year was over \$200,000.00.

The Annual Fund helps:

- Curriculum enrichment and enhancement
- Technology upgrades
- Salaries and benefits for staff
- Maintenance and upgrades to facilities and fields
- Helps keep tuition at one of the lowest in the County

Does my gift matter?

YES! Each and every gift, regardless of size is important because it shows support for SJPII. Your gift is an expression of confidence in our school! We strive for 100% participation. Potential donors, corporations and foundations love to hear that our SJPII families and the community fully support the school before they commit to donate.
