

Palominas Elementary School District #49

April, 8 2021

Dear Parents/Guardians,

Online Registration is now open for **returning students** through the ParentVue portal for the **2021-2022** school year. Once logged in to your ParentVue account click on Begin Registration. Please update any information that has changed. Office staff will be available to help with any questions you may have.

A ParentVue account will need to be created for parents that do not have an existing account with our District. You will need to contact your schools office and they can set up an account for you. If you are not sure if you have an account already please contact the office staff and we can check for you. If you do not have access to ParentVue please feel free to stop by any of the School offices for assistance.
