

How Can I Register My Child for Preschool?

Thank you for your interest in Valley View!

Valley View Preschool is in the process of forming classes for the 2021/2022 school year. If you are interested in having your child attend please contact me or Kristina Elias, our preschool secretary, at one of the email addresses below. We will place your little one on our waiting list and will keep you updated on their status of enrollment. When we have a spot for them, we'll notify you and provide you with instructions for registering.

Acceptance is on a first come, first served basis so please don't hesitate to add your child's name if you think you may be interested. You will have the opportunity to give up the spot if an opening comes up and you decide against it. Please do keep in mind that children must be three years old and fully potty trained in order to attend.

Again, thank you so much for being interested in Valley View Preschool for your child's early education! We can't wait to meet you!
