EAST BROOK MIDDLE SCHOOL PTA

The East Brook Middle School PTA is part of a nationwide network, working to develop programs and activities for the well-being of our children and families. Our membership has a long-standing commitment of dedication and look forward to our future endeavors with enthusiasm.

During the school year, the PTA works to enrich the lives of our children through cultural programs, reading programs and social events such as Fantastic Fridays, dances, and commencement activities. We also supply money for scholarship funds, and host a variety of events for our parents as well as our children such as Back-to-School Night, L.E.A.D. Graduation, Red Ribbon Week and monthly PTA meetings.

We invite our parents to become active members of our PTA and hope you will join our administrators and teachers in becoming Partners in Education.

MIDDLE SCHOOL STUDY PROGRAM AND HOMEWORK GUIDELINES

Fifth, sixth, seventh, and eighth grades are structured in a modified two or four teacher interdisciplinary team. These teachers share the responsibility for instruction in Language Arts, Mathematics, Science and Social Studies.

HOMEWORK GUIDELINES

The teachers in the middle schools believe that homework is a necessary and essential part of each student's educational experience. Homework is designed to serve general objectives. They include:

1. Reinforcement of school learning by further practice and application.
2. Stimulation of initiative, independence, responsibility, and self-direction.
3. Enrichment of the school experience.
4. Development of leisure interest in learning.
5. Development of work-study habits.
6. Introduction of new work or material.

Although homework is assigned to all students regularly, it should be noted that emphasis on developing a program to fit individual needs can and will cause a variation in the time each student spends doing homework each day. It is realistic to expect homework to range between forty-five (45) and seventy-five (75) minutes in the fifth and sixth grades, and between sixty (60), and ninety (90) minutes in the seventh grade, Monday through Thursday. Weekend and holiday assignments will be given at the discretion of the teacher. The academic expectations placed on the eighth grade student in preparation for his/her high school experience require additional homework and study time. It is realistic to expect between sixty (60) minutes and ninety (90) minutes, Monday through Thursday. Students can expect to be assigned homework in Language Arts, Mathematics, World Language, Science, Social Studies and Health. For those students taking a world language, an additional 20 minutes per night can be expected. Weekend and holiday assignments will be given at the discretion of the teacher.

Research has shown the most beneficial activity to foster student success is daily independent reading. Teachers will assign independent reading as homework.

HOW WILL I BE GRADED FOR THE WORK I DO?

The students attending East Brook Middle School have varying needs, interests, and abilities. Every effort is made to report the individual progress of each student fairly and accurately. In Grades 5 through 8, grades of A, B, C, D and F are given to indicate student progress. The meaning of each symbol is as follows:

A+ – 97-100	A – 93-96	A- – 90-92
B+ – 87-89	B – 83-86	B- – 80-82
C+ – 77-79	C – 73-76	C- – 70-72
D+ – 67-69	D – 65-66	F – Below 65

Pupil's academic progress will be measured by homework, tests and quizzes, class participation and other evaluative methods. Report cards are issued four times a year in November, February, April and June. Parent conferences will be scheduled in the fall.

HONOR ROLL

Each marking period, all students have the opportunity to attain recognition for either of two levels of academic achievement. The Honor Roll for each marking period will consist of the following:

1. A two-tiered system with:
 - High Honor Roll Status – all A's in all subjects
 - Honor Roll Status – all A's with the allowance of two B's
2. No distinction between grades (for example, a B includes B+ and B- grades)
3. All subjects count equally (no exceptions to cycles/electives, physical education, orchestra, band, or chorus)
4. No grade elevation for high level classes (in math)

WHAT MUST I DO TO BE PROMOTED EACH YEAR?

1. Demonstrate progress in reading, mathematics and writing basic skills.
2. Show satisfactory progress in subject areas as determined by classroom teachers.
3. Maintain a good attendance record as defined by the Board of Education Attendance Policy.

Administrative reviews are held for those students who achieve less than satisfactory progress or have a record of poor attendance. These students may be required to attend Summer School or may be retained.

POLICY CONCERNING GENERAL ATTENDANCE AND VACATIONS WHEN SCHOOL IS IN SESSION

Classroom participation is the most crucial ingredient of the total educational experience. We believe that absence from school for vacation purposes, other than the regularly scheduled holiday breaks, creates a serious interruption in the students' educational experience. Therefore, parents are strongly urged to refrain from planning vacations when school is in session.

The Paramus Board of Education has adopted a policy which limits the number of absences that may be accumulated during the course of a year before a student loses credit. All students in grades K-8 are expected to attend school regularly. The following absences, if appropriately verified, will not be counted toward the established limit:

1. Death in the immediate family.
2. Observance of a religious holiday (state recognized).
3. School sponsored or approved event or activity.

In the event a child needs to be out of school because of extenuating circumstances, it is the District's policy that all tests and homework must be made up. The individual teacher's discretion will determine how much the absence from class will count in the final evaluation of the grade. In such cases, parents must notify teachers and administrators at least two weeks in advance of the projected absence. Remember, absences incurred due to vacations are subject to the above-mentioned policy.

WHAT COURSES WILL I STUDY?

Students in grades 5-8 will study the following subjects: Language Arts Literacy, Mathematics, Science, Social Studies, Physical Education and Health, and World Language (Spanish for grades 5-7 and choice of Spanish, German, or Italian in grade 8). A cycle of the Exploratory Areas, each for one marking period, is required in grades 5-8: STEM and 21st Century Digital Skills. Additionally, students will take elective courses each for one marking period: Art and Music in grades 5 and 8; a choice of Art, Music, or Theater in grade 6; and a choice of Art, Music, Theater, and/or Dance in grade 7.

MUSIC PROGRAM

Students have the unique opportunity to be a member of the East Brook Orchestra, Chorus and Band. By choosing one or more of these performing groups, you will be exposed to the sounds of the string, woodwind, brass or percussion instruments. Instrumental music lessons for all grade levels will be given once a week on a rotating schedule for those students enrolled in music programs.

PHYSICAL EDUCATION

The Physical Education Department of East Brook welcomes you as a member of the student body. Physical education, along with your other subjects, will be an important part of your daily schedule. All students will be scheduled for a number of periods of physical education each week. State law requires that every student take physical education. **Note that any student excused from participating in physical education will not be permitted to participate in any related activity or intramural club during the time that the student is excused from physical education classes.**

PHYSICAL EDUCATION UNIFORM

The Paramus Board of Education regulation makes it mandatory that all pupils must wear proper gym apparel. Appropriate physical education clothing shall be dark blue gym-type shorts, white or gray T-shirts, sneakers, and/or sweat suits. Students may not participate in street clothing. The PTA takes orders for proper gym clothes each September.

GYM EXCUSES

If a student has a serious injury or sickness, a medical excuse from a doctor, which includes the amount of time to be excused, must be given to the physical education teacher. After the physical education teacher signs the note the student must then present the note to the nurse who will assign the student to the media center. The student must be cleared by the nurse in order to return to class.

An excuse for one or two days is permitted with a note from a parent/guardian. The note should be given to the physical education teacher, who will decide on an individual basis if the student should dress for class and be allowed limited participation.

GYM LOCKERS

All students are responsible for the security of their own belongings in the locker rooms. Each student will be assigned a locker in the appropriate locker room. Students should supply a gym lock and make sure his/her locker is always properly locked. Lockers are not to be shared with anyone.

GYM REGULATIONS

1. No street shoes are permitted on the gymnasium floors during or after school hours.
2. For safety reasons, no jewelry will be permitted in the gym class.
3. All gym clothing should be laundered weekly.
4. Any student excused or unprepared for gym class cannot participate in after school sports activities for that day.

*Students are not to use any equipment in the gym without the permission of the teacher.

GENERAL SCHOOL PROCEDURES

We have all learned that the success of anything accomplished by several people depends on cooperation. In order to make sure that we all know how to cooperate, certain rules must be stated. Some people think that rules take away their rights, but most know that rules allow us to enjoy equal rights. Our school rules have four main purposes:

1. To help students learn as much as possible.
2. To help make school more enjoyable.
3. To make sure that personal property and school property are shared and cared for.
4. To assist the school to operate more successfully.

Let us all become acquainted with these basic rules so that we will know what to expect of each other as we learn and grow at East Brook Middle School.

WHAT SHOULD I DO BEFORE AND AFTER SCHOOL?

1. For reasons of student safety entering and leaving school, all students will enter and exit East Brook by using the only main entrance in the front of the building.
2. The first thing students should do is report to their homeroom at 7:45 am. Your homeroom teacher will allow you to visit your locker as needed. If you have other things you would like to do, it will be best for you to ask your homeroom teacher first.
3. **When school is dismissed at 2:30 p.m., you should not be in the building unless you are staying with a teacher, involved in a co-curricular or intramural activity, or you are in the SACC program.**

WHAT SHOULD I DO IF I AM LATE TO SCHOOL OR TO CLASS?

School begins at 8:00 a.m. for all grades. Unless you are in your homeroom by that time, you are considered tardy. Should you be tardy:

1. If you arrive after 8:15 a.m., you must report to the office to get a late slip.
2. During the school day, if you should be late to class, your teacher will expect you to have a reasonable excuse. If you are tardy because one of your teachers dismissed you late, then he or she will give you a note. If you are late for any other reason, you will be asked by your teacher to make the time up after school.

WHAT SHOULD I DO IF I AM ABSENT FROM SCHOOL?

The more school days you miss, the harder it becomes for you to be really successful. Therefore, you should miss school only when:

1. You are ill.
2. There has been a death in your family.
3. Other appropriate extenuating circumstances.

On the morning of the first day of absence your parent should call the school by 8:00 a.m. When returning from an absence, you should bring a note from home to your homeroom teacher explaining the reason for the absence. If you are absent, you are not permitted to attend or participate in any school activity held the day of your absence.

If the student is absent for two or more days, parents may request assignments from teachers by contacting the Team Leader in the morning. Assignments may be picked up after school from the Main Office.

WHAT SHOULD I DO IF I HAVE TO LEAVE SCHOOL EARLY?

If you must leave school early, then it is necessary for you to bring a note from home. When you arrive at school in the morning, present your note to your homeroom teacher.

WHAT SHOULD I DO IF I MUST LEAVE THE ROOM DURING CLASS?

1. Students are allowed in the halls without a student pass only during the exchange of classes. A student pass represents permission from a teacher for you to be out of the classroom to which you have been assigned. Each teacher will establish his or her own rules for the issuance of the student pass.
2. If you have a guidance slip or early dismissal slip, show the slip to your teacher when you enter class. If your teacher should neglect to dismiss you on time, raise your hand and remind him or her.
3. If you must leave the room because of health or personal reasons (restroom), raise your hand and ask permission. Getting a drink of water is not a reason to leave the room.

WHEN MAY I LEAVE SCHOOL GROUNDS?

Except for those pupils who have special permission from the administration to go home for lunch, no pupil is to leave the school grounds from the time he or she arrives at school until dismissal.

Students desiring to go home for lunch must present a written request from their parent or guardian to the office before such permission will be granted. A parent or guardian must sign out students before leaving the building.

If you are not directly engaged in an after-school activity or meeting with a teacher, you are expected to leave the building by 2:40 p.m. and the grounds by 2:45 p.m.

HOW WILL I KNOW IF SCHOOL IS CLOSED OR IF THERE IS A DELAYED OPENING?

In this event, there will be a Honeywell Instant Alert message sent to your phone. Please be sure you have enrolled in this system and you have all information updated. A taped message will be available by calling (201) 261-7800.

WHAT SHOULD I DO IF I AM MOVING TO ANOTHER SCHOOL?

WHAT SPECIAL RULES ARE THERE FOR VISITORS TO OUR SCHOOL?

East Brook Middle School is always open to parents and guests. However, at this time guests are not permitted in the building, unless they have permission from the principal. Students are not to bring guests or invite outsiders to school. The student then reports to the clinic and is seen by the school nurse. If a student cannot return to class, a parent or a person designated by the parent will be notified.

STUDENT ACTIVITIES

Club Program

A variety of clubs offers everyone an excellent opportunity to pursue interests outside the curriculum. The following activities will be sponsored by East Brook teachers for this year: Art, Backstage Support, Chefs, Chorus, Computer, Digital Photography, Digital TV/Video (EB News), Drama Workshop (Musical), Morning & Afternoon Intramurals, Jazz Ensemble, Math Counts, REACT, Ski Club, STEM, Student Council, String Ensemble, Student Newspaper, Wiffle Ball, and Yearbook. A description of our club program will be given to each of our incoming students and is also listed on our website.

Intramural Program

All students are encouraged to participate in the after-school intramural program. Under the guidance of the teaching staff, activities such as tennis, indoor soccer, floor hockey, basketball, and wiffle ball (in addition to other activities) are planned for both boys and girls. **These activities require the completion of a sports physical prior to student participation.**

Student Council

Our Student Council is elected by student vote to help in student affairs and make suggestions for the good of the school. The Student Council presents your views and your ideas to the school.

Each homeroom will select one representative to the Student Council. There are four officers elected each spring. The president is elected from the seventh grade, the vice-president from the sixth grade, the secretary from the seventh grade, and the treasurer from the fifth grade. The representatives you choose will represent your homeroom on all matters that concern you and will help make decisions which could affect you in school.

Remember, support your Council for it is your voice in helping to conduct school affairs. The Student Council is governed by a Constitution that is distributed to all incoming 5th grade students.

STUDENT COUNCIL 2021-2022

Vice President	Paul Ryan Lang

GENERAL POINTS OF INFORMATION

*Racks are provided for students riding bicycles to school. Bicycles must be kept in the racks provided and should not be ridden on the grounds except to and from school. Students are expected to provide their own lock, as the school assumes no responsibility for bicycles ridden to school. No motorbikes are permitted. Students who ride bicycles to and from school must wear a helmet – state law!

*Since most activities meet after school, **late buses** will be available for assigned bus students who stay for extra help or one of the co-curricular activities. Late buses leave at 3:30 p.m., Monday through Friday, on a Board approved bus route, which is posted in the main entry area.

*Each student will be assigned a **locker** in which to keep his/her books and outer clothing. This locker should contain only those items that are essential to school use. Lockers are school property and used free of charge by the students. They are to be used until the end of the school year and are to be kept in the same condition as when they were assigned. Periodic inspections will be made by the homeroom teacher or an administrator to ensure that they are kept neat and orderly. Students will be assigned a combination for the locker – **DO NOT share this combination with anyone.**

Students may be disciplined or suspended for behavior occurring off school grounds, including, but not limited to, behavior on a school bus or at a school-sponsored activity.
