Minimum ACT score	17 ** (or 12 on WORKKEYS)	19	21	25
Need Award	25% of annual unmet need \$100/semester minimum award \$750/semester maximum award	25% of annual unmet need \$100/semester minimum award \$750/semester maximum award	25% of annual unmet need \$100/semester minimum award \$750/semester maximum award	100% of annual unmet need \$100 / semester minimum award Total unmet need is maximum award
Length of Award	Equivalent of 4 full-time semesters at a WY Community College, with the option of 4 additional semesters	Equivalent of 8 full-time semesters; no more than 4 may be used at a WY Community College	Equivalent of 8 full-time semesters; no more than 4 may be used at a WY Community College	Equivalent of 8 full-time semesters; no more than 4 may be used at a WY Community College

*There are no GPA requirements for home-schooled students or students who have gone the GED route.

**Cumulative score of 12 points on applied math, reading for information & locating information on WorkKeys tests.

How do you calculate Unmet Need?

- Yearly Cost of Attendance of WY college (\$8,000 - \$16,000)
- Annual EFC (Expected Family Contribution) determined by FAFSA
 - Hathaway Merit Award
 - Grants/Scholarships
 - \$2,000 (Hathaway gap – student & family contribute this)
- = Annual Unmet Need**
