Candidate Statement of Interest

SB1451, signed recently by the Governor, now requires anyone seeking a political office file a Candidate Statement of Interest form. If you are planning to run for School Board, you **MUST** file this form with the Cochise County School Superintendent. You should file this form before obtaining any petition signatures. If you do not file the form, you risk candidate challenge in Superior Court. This means signatures gathered before your filing may be excluded.

- This form can be filed electronically
- This information will be available to the public

The Non-Partisan Nomination Petition

This petition is used to nominate a person to a particular office within a political division or district, regardless of party affiliation. Each person signing must be a qualified elector and resident of the division or district of the candidate. [Click here](#) for the English Petition. [Click here](#) for the Spanish Petition.

- The Nomination Petition Form must be 8 1/2 x 11 inches and contain 10 signature lines.
- A photograph of the candidate *may* appear on the Nonpartisan Nomination Petitions.
- Candidates must file *at least* the minimum number of signatures required for the office sought. If there are too few signatures, the Cochise County School Superintendent's Office will not accept the nominating petitions.
- Each form should be headed by a caption stating the purpose of the petition, followed by the body of the petition stating the intent of the petitioners. The purpose of the petition must also include the length of term for the candidate.
- All petitions will be signed by a circulator who is qualified to register to vote in this state. The circulator's name is to be typed or printed under such person's signature. The circulator's actual residence address or, if no street address, a description of residence location shall be included on the petition. Information on registering as an out of state circulator can be found at: <http://azsos.gov>.
- A voter may sign the number of candidate petitions equal to the number to be elected within that office. For example, in a school board election, if there are three seats up for election, a voter may sign up to three candidate petitions.

Note: The Office of the County School Superintendent does not verify signatures on petitions; however, they are subject to challenge. Nomination papers, Affidavit of Qualifications, petitions, and financial disclosure statements become public record once filed.

Nomination Paper & Affidavit Of Qualification

- In the first of this three-section form, candidates must state office, date of general election and meet residency requirements.
- In the second section of the form, the candidate must list the manner in which they desire to have their name appear on the official ballot.

Note: Names printed on the official ballot are limited to last name and first name. Abbreviations, initials, and nicknames are permissible as long as they do not suggest a title. Abbreviated names or nicknames MAY be printed with quotation marks. The candidate's last name will always appear first on the official ballot. [Click here](#) for the Nomination Paper.

Write-In Candidates

Write-in candidate names will not be printed on the ballot. A list of write-in candidates and the offices they seek will be posted in a conspicuous location inside the polling location and on the County Website. A vote for a write-in candidate is cast only when the voter writes the candidate's name on the ballot at the appropriate line for the office and fills in the oval on the ballot. Any person who does not file a timely Write-In Nomination Paper shall not be counted in the tally of ballots. A.R.S. §16-312 (C).
