

## CONEMAUGH TOWNSHIP AREA SCHOOL DISTRICT

Dear Parents and Guardians,

August 24, 2021

**The Conemaugh Township Area School District is excited to announce a new program being offered to our students and families this year.**

CTASD and R.E.A.C.H., Inc. (Reaching Educational Achievements with Clinical Mental Health) have established a partnership for the 2021-2022 school year to provide social supports services including clinical mental health counseling for the students in the district.

CTASD has provided the opportunity for all students to have access to these supports with Parent/Guardian consent.

We look forward to getting to meet students and families. Look for us at district events and parent/teacher conferences.

We will be available to answer any questions you may have. There is not an issue too big or too small to seek out support and we welcome all discussion on what may help your child succeed socially and emotionally.

We encourage you to reach out at any time during the school year. You can connect to us through your school counselor or directly through the websites listed below.

We thank you for supporting the emotional wellness of your child.

**Sincerely,**

**Julia Dello, NCC, LPC**  
**Executive Director**  
**R.E.A.C.H.**

**Mr. Thomas Kakabar**  
**CTASD Superintendent**
