Important Note

In accordance with requirements outlined by the United States of America Immigration and Naturalization Service, Multnomah University is required to obtain documentation certifying financial support that is being guaranteed for a student's educational expenses. Verification is required for each source of funding listed below. These documents must be original and official. Please indicate specific amounts in U.S. dollars from each funding source on both this document and the supporting verification documents. This Statement of Financial Responsibility form and all necessary supporting documents must be on file with the University before an I-20 will be issued by the university.

Sources of Funding

Please complete the following worksheet indicating guaranteed ("assured") financial support for the first year of study at Multnomah University and expected support for the following years of study. All amounts should be reported in U.S. dollars. Please attach additional pages for additional sources. Official documentation must be submitted with this form for each source of funding (see requirements in the next section).
