

Adjunct Professor - Math

- Position Description:** The Undergraduate School at Multnomah University is seeking an adjunct professor to teach pre-calculus in fall 2021.
- Minimum Requirements:** The ideal candidate will possess a minimum of a master's degree. Teaching experience in college algebra, pre-calculus, and calculus is preferred. Agreement with Multnomah University's doctrinal statement is required, as is a willingness to integrate biblical principles in subject matter.
- Institutional Information:** Multnomah University includes undergraduate and graduate programs as well as Multnomah Biblical Seminary located in Portland, OR. All programs are coeducational and interdenominational. Founded in 1936, the college, graduate school, and seminary have established a renowned heritage of excellence in biblical education equipping Christian men and women to transform our culture and the world. The college offers B.A. degrees in 20 majors as well as four university M.A. programs. The seminary offers the M.A., M.Div., Th.M., and D.Min. degrees. Multnomah University is accredited with the Northwest Commission on Colleges and Universities (NWCCU). The Multnomah Biblical Seminary is accredited with the Association of Theological Schools (ATS). In addition, Multnomah University is an affiliate with the Council for Christian Colleges and Universities (CCCU)
- Compensation:** \$1,294 to \$2,250 per course based on credit hours and earned degree.
