HOW YOU REGISTER

Plan your schedule for next semester. Access Self-Service and register for your classes (Follow the directions on the next page for web registration). The system will check to make sure that all pre-requisites are met and that you do not have any scheduling conflicts. All late registration must be handled by directly contacting the Office of the Registrar.

IMPORTANT ITEMS TO NOTE (related to on-line registration)

It is strongly recommended that you follow the course sequence as laid out in the course plan for your program. These can be found at

<https://multnomahuniversity.sharepoint.com/sites/MyMU/SitePages/Course-Plans.aspx>.

Complete all first-year courses before taking second year courses, etc. This will prevent you from having scheduling difficulties in later semesters. Contact the Registrar if you have questions about this.

If you get an error message on one or more of the classes that you have selected to take, remove that class from your selections and register for your other classes. If you believe you should be able to take the class, contact the Office of the Registrar and we will review your situation and add the class if you qualify to take it.

AFTER YOU REGISTER

Classes begin on Monday, August 30.

You should verify your class schedule by checking it in Self-Service prior to the first day of class. Report any errors to the Office of the Registrar office by September 3.

Add/Drop

Students may add or drop courses at the Registrar's Office or on-line August 30 – September 3 at 4:00 p.m. After September 3 you may withdraw from a course, but you must contact the Office of the Registrar to take care of this. There is a \$5.00 per course fee for courses dropped after Sept. 3. You may withdraw from a class up until November 15. Web Registration Instructions for Self-Service

1. Log in to Self-Service.

New students - use the same user ID and password that you *just created* to access the Multnomah network.

Continuing students – contact IT (503.251.6555 or helpdesk@multnomah.edu) if you can't remember your password

New students only complete step 2, **continuing students** skip to step 3.

2. Select your profile icon in the upper right corner of the screen and then select the *Addresses* section. A campus box number has been assigned if you are living on campus. Review your permanent address and verify that it is correct. If not, make changes and submit change. If you are not living in the residence halls, student apartments or at your permanent address, please create a secondary address and supply your current local address. If there are addresses displayed that are no longer valid, please delete them.
3. Select *Registration* and then *Courses*.
4. Use Search to find your courses. You can enter your course id or course title in the Search bar (i.e. BIB501 or TH 507) or select Advanced Search and utilize the filters. Add the course that you want to your cart by clicking on the *add* button. Repeat this step for each course.
5. After you have selected your courses and they are in your cart, you need to register for them. Do this by clicking on *Register*. If all goes well, you will be registered for your courses and you can print out the page showing your schedule.

If you get a "Registration failed" message when you are registering your courses, you will need to correct the problem and then re-register your courses by clicking on *Register*. The system checks for time conflicts, pre-requisites, and co-requisites. If you believe you should be able to enroll in a course that the computer is not allowing, please register for all your other courses and then talk with one of the registrar's staff about the course that you could not register for.
