BEFORE YOU REGISTER

Current Students: Your account must be current to register. Log on to Self-Service to check the status of your account. If you have a stop that says Student Accounts or Payment, then contact Student Accounts to take care of your account.

If any of the following items are outstanding you will not be cleared to register:

- Admissions related documents if provisionally admitted (contact Office of the Registrar)
- Incomplete orientation when you enrolled (contact Office of the Registrar)

Plan your schedule. Refer to this schedule or Self-Service for a class list.

SCHEDULE FOR REGISTRATION

Web registration will start at the times listed below for each group. Your registration time is based on your earned credits; it does not include credits that you are currently enrolled in. If you do not know how many credits you have earned you can find out by viewing your “unofficial transcript” in Self-Service.

Current Students

Students who have completed 93 or more credits	March 30, 7:00 a.m.
Students who have completed 61 or more credits	March 31, 7:00 a.m.
Students who have completed 31 or more credits	April 5, 7:00 a.m.
Students who have completed 30 or fewer credits	April 6, 7:00 a.m.

On-line registration will close for all students on August 27 at 5:00 p.m. Late Registration will open on Monday, August 30 for students who are not registered for classes. Late registration cannot be done on-line. Contact the Office of the Registrar at 503-251-5370 for late registration.

New Students

New students will be able to register between May 17 and August 27 after they are admitted. Detailed instructions will be sent with your acceptance letter.

Returning Students

Former students who are returning after an absence will be able to register between April 12 and August 27. Returning students need to contact the Admissions office to complete the re-enrollment process prior to being able to register.

HOW YOU REGISTER

Plan your schedule for next semester. Access Self-Service and register for classes (Follow the directions on the next page for web registration). The system will check to make sure that all pre-requisites are met and that you do not have any schedule conflicts. During late registration contact the Office of the Registrar to register.

IMPORTANT ITEMS TO NOTE (related to on-line registration)

It is strongly recommended that you follow the course sequence as laid out on the four-year layouts for your program. These can be found at

<https://multnomahuniversity.sharepoint.com/sites/MyMU/SitePages/Course-Plans.aspx>.

Complete all first-year courses before taking second-year courses, etc. This will prevent you from having scheduling difficulties in later semesters. Contact the Office of the Registrar if you have questions about this.

If you get an error message on one or more classes that you have selected to take, remove that class from your selections and save your other classes. If you believe that you should be able to take the class, contact the Office of the Registrar. We will review your situation and add the class if you qualify to take it.

If you want to audit a class, you can register for the class and then contact the Office of the Registrar and request that the class be taken as an audit. You will not be able to change a class from audit to credit after the semester starts. You can change a class from credit to audit up until the course withdrawal deadline if you are passing the class at the time that you request the change.

AFTER YOU REGISTER

Classes begin on Monday, August 30 for session 01A and on Monday, October 25 for session 01B.

Add/Drop

Students may add or drop courses Aug. 30 – Sept. 3 on-line or by contacting the Office of the Registrar at 503-251-5370. After Sept. 3 you may still withdraw from classes, but you must contact the Office of the Registrar to take care of this. In addition, there is a \$5.00 per course fee for registration changes after Sept. 3. You may withdraw from session 01A classes until October 8 and session 01B classes until December 3. (Veterans and students receiving financial aid note limitations on Progress Standards.)

Late Registration

Late registration begins on Monday, August 30. September 3 is the last date to register. Late registration must be completed by contacting the Office of the Registrar. You cannot do late registration on-line. Students are encouraged to register for the entire semester prior to August 27, but a student may enroll in session 01B classes up until October 22 by contacting the Office of the Registrar.

If there are addresses displayed that are no longer valid, please delete them.

The system checks for time conflicts, pre-requisites, and co-requisites. If you believe you should be able to enroll in a course that the computer is not allowing, please register for all your other courses and then talk with one of the registrar's staff about the course that you could not register for.
