Web Registration Instructions for Self-Service

1. Log in to Self-Service.
   New students - use the same user ID and password that you *just created* to access the Multnomah network.
   Continuing students – contact IT (503.251.6555 or helpdesk@multnomah.edu) if you can't remember your password

New student's only complete step 2, **continuing students** skip to step 3.

2. Select your profile icon in the upper right corner of the screen and then select the *Addresses* section. Review your permanent address and verify that it is correct. If not, make changes and submit change. If you are not living at your permanent address, please create a secondary address and supply your current address. If there are addresses displayed that are no longer valid, please delete them.

3. Select *Registration* and then *Courses*.

4. Use search to find your courses. You can enter your course id or course title in the Search bar (i.e., DM 810) or select Advanced Search and utilize the filters. Add the course that you want to your cart by clicking on the *add* button. Repeat this step for each course.

5. After you have selected your courses and they are in your cart, you need to register for them. Do this by clicking on *Register.* If all goes well, you will be registered for your courses, and you can print out the page showing your schedule.

   If you get a "Registration failed" message when you are registering your courses, you will need to correct the problem and then re-register for your courses by clicking on *Register.* The system checks for time conflicts, pre-requisites, and co-requisites. If you believe you should be able to enroll in a course that the computer is not allowing, delete that course from your cart and register for all your other courses, and then talk with one of the registrar's staff about the course that you could not register for.

6. **Logout when you are done.**
