## BEFORE YOU REGISTER

1. If you are a new student, your enrollment deposit and payment arrangements are due prior to registration.
2. Current students: Your account must be current in order to register. Log on to Self-Service to check the status of your account. If you have a stop that says Student Accounts or Payment, then contact the Student Accounts office to take care of your account.
3. If any of the following items are outstanding you will not be cleared to register:
  - Admissions related documents if provisionally admitted (see Office of the Registrar)
  - Immunization or insurance information (see Office of the Registrar)
  - Incomplete orientation when you enrolled (see Office of the Registrar)
4. Plan your schedule using a catalog or four-year layout from the year you started. Refer to this schedule or Self-Service for a class list. Contact your faculty advisor if you need assistance in planning your schedule. New students contact the Office of the Registrar for assistance prior to your first semester.

## SCHEDULE FOR REGISTRATION

Web registration will start at the times listed below for each group. Your registration time is based on your earned credits; it does not include credits that you are currently enrolled in. If you do not know how many credits you have earned you can find out by viewing your “unofficial transcript” in Self-Service.

### Current Students

Students who have completed 93 or more credits	March 29, 7:00 a.m.
Students who have completed 61 or more credits	March 30, 7:00 a.m.
Students who have completed 31 or more credits	April 4, 7:00 a.m.
Students who have completed 30 or fewer credits	April 5, 7:00 a.m.

### New Students

New students will be able to register on one of the New Student Registration Days – May 14 or June 17. You must be admitted and have paid your enrollment deposit prior to registration. New students who are unable to attend a new student registration day will be able to register on-line starting May 16. More information will be sent with your acceptance letter.

### Returning Students

Former students who are returning after an absence will be able to register between April 11 and August 26. Returning students need to contact the Admissions office to complete the re-enrollment process prior to being able to register.

### Close of Registration

On-line registration will close for all students August 26 at 5:00 pm. Late Registration will open August 29 for students who are not registered for classes. Late registration will take place at the Office of the Registrar between the hours of 9:00 and 4:00. Late Registration cannot be done on-line.

## HOW YOU REGISTER

Plan your schedule for next semester. Access Self-Service and register for your classes (Follow the directions on the next page for web registration). The system will check to make sure that all pre-requisites are met and that you do not have any schedule conflicts. During late registration come to the Office of the Registrar to register.

### IMPORTANT ITEMS TO NOTE (related to on-line registration)

It is strongly recommended that you follow the course sequence as laid out on the four-year layouts for your program. These can be found at MyMU under Registrar, Advising, Course Plans (use this link <https://multnomahuniversity.sharepoint.com/sites/MyMU/SitePages/Course-Plans.aspx>) or from your department chair. Complete all first-year courses before taking second-year courses, etc. This will prevent you from having scheduling difficulties in later semesters. Contact the Office of the Registrar if you have questions about this.

If you get an error message on one or more of the classes that you have selected to take, remove that class from your selections and save your other classes. If you believe that you should be able to take the class, contact the Office of the Registrar and we will review your situation and add the class if you qualify to take it.

Note about course fees: Some courses have a course fee in addition to tuition. You can find the fee amount by clicking on the course ID in Self-Service.

## AFTER YOU REGISTER

Classes begin on Monday, August 29.

You should verify your class schedule by checking it in Self-Service prior to the first day of class. Report any errors to the Office of the Registrar by September 2.

### Add/Drop

Students may add or drop courses at the Office of the Registrar or on-line Aug. 29 – Sept. 2. After Sept. 2 you may still withdraw from classes, but you must come to the Office of the Registrar to take care of this and there is a \$5.00 per course fee for registration changes after Sept. 2. You may withdraw from classes until November 15. (Veterans and students receiving financial aid note limitations on Progress Standards.)

### Late Registration

Late registration begins on Monday, August 29. September 2 is the last date to register. Late registration must be completed in person at the Office of the Registrar.

## Web Registration Instructions for Self-Service

1. Log in to Self-Service.

**New students** - use the same user ID and password that you *just created* to access the Multnomah network.

**Continuing students** – contact IT (503.251.6555 or [helpdesk@multnomah.edu](mailto:helpdesk@multnomah.edu)) if you can't remember your password

**New students only** complete step 2, **continuing students** skip to step 3.

2. Select your profile icon in the upper right corner of the screen and then select the *Addresses* section. A campus box number has been assigned if you are living on campus. Review your permanent address and verify that it is correct. If not, make changes and submit change. If you are not living in the residence halls, student apartments or at your permanent address, please create a secondary address and supply your current local address. If there are addresses displayed that are no longer valid, please delete them.
3. Select *Registration* and then *Courses*.
4. Use Search to find your courses. You can enter your course id or course title in the Search bar (i.e. BIB107 or ENG100) or select Advanced Search and utilize the filters. Add the course that you want to your cart by clicking on the *add* button. Repeat this step for each course.
5. After you have selected your courses and they are in your cart, you need to register for them. Do this by clicking on *Register*. If all goes well, you will be registered for your courses and you can print out the page showing your schedule.

If you get a "Registration failed" message when you are registering your courses, you will need to correct the problem and then re-register your courses by clicking on *Register*. The system checks for time conflicts, pre-requisites, and co-requisites. If you believe you should be able to enroll in a course that the computer is not allowing, please register for all your other courses and then talk with one of the registrar's staff about the course that you could not register for.

6. **Logout when you are done.**
