

# Green Hills County Park

## Big Group Trip Guidelines

**Tips for making your trip to Green Hills County Park a success!**  
**Please call (919) 870-4330 to let us know when your group of 50 or more is planning to visit.**  
**This is NOT a reservation, but will allow us to better serve you.**

### Park Hours:

- The Park is open every day except New Year's Day, Thanksgiving Day, Christmas Eve and Christmas Day.
- The Park opens at 8:00 am and the gates are locked at dusk – the exact time is on the sign upon entering the Park, in addition to being posted along the one way loop road.

### Picnicking:

- **No open flames are allowed at this facility (this includes use of grills).**
- The Sycamore Shelter and all picnic tables throughout the park are first-come, first-served. Please be considerate when claiming these amenities – staking out the shelter or other tables at 9:00 am for a 1:00 pm picnic prevents others from using the space before that time.
- Food trucks and on-site catering are prohibited (this includes ice cream trucks). Caterers must set up food and leave.

### Activities:

- EZ-Up style tents are allowed as are portable badminton and volleyball nets.
- If you are considering carnival-type activities, please call us for information on our requirements and restrictions. NO inflatable structures/bounce houses/gaming trucks are allowed.
- You will have no access to electrical or water hook-ups.
- No water balloons are permitted due to hazard potential for wildlife. Consider bringing wet sponges in a cooler of water instead.
- No amplified music or alcohol is allowed in the park.
- Drones and Model Rockets are **prohibited** at this park. Please refer to the GHCP Model Rocket, Drone and Remote Control Vehicle Policy on the website for more information.
- **Remind your group to remain on the designated paths around and on the landfill at all times.** To prevent injury, **do not walk or ride bikes on the slopes of the landfill.** You may access the top of the landfill from the "Top of the Hill Trail" gravel trail located near the park entrance sign – **park at the Front Entrance parking lot and walk the concrete road to the right to access the Top of the Hill Trail.**  
\*Remain on the designated gravel trail at all times. Use of landfill hill slopes for any activity is prohibited.

### Clean-Up:

- Pick up all litter and recyclables associated with your group's visit and dispose of them properly.
- Trash and recycling containers are located throughout the park.
