

LOW-COST SPAY/NEUTER CLINICS IN WAKE COUNTY

Many clinics offer other services (at additional cost) while the animal is in for surgery, such as initial vaccinations (rabies, distemper, etc.), testing (FIV/Felv, heartworm, etc.) and microchips. There may be additional fees, such as for pain medication, the pet's weight, health, age, reproductive status, etc.

Prices are subject to change. Please consult clinics for up-to-date information on pricing and availability.
