Dear Sir or Madam:

Wake County Department of Housing Affordability and Community Revitalization is pleased to announce the availability of loan funds under the Wake County Affordable Housing Development Program (AHDP). For-profit and non-profit developers are invited to submit a proposal for funding to assist in the new development and/or rehabilitation of affordable rental housing for low-income families. Developers applying for funding under the 4% or 9% Low-Income Housing Tax Credit (LIHTC) requests for proposals must also be seeking an allocation of 4% or 9% federal Low-Income Housing Tax Credits (LIHTC) through the North Carolina Housing Finance Agency (NCHFA). Developers may also submit applications for funding under the Non-Tax Credit request for proposal, which does not require application for LIHTC. Funds are available in the form of low-interest rate loans that may be used for construction or permanent financing in the development of tax credit projects. A detailed description of the program and application package is attached. Wake County 2020-2021 application criteria:

- ❖ Wake County has policy objectives of de-concentrating poverty and locating affordable housing in areas of opportunity. Proposed developments will be evaluated based on their proximity to the following factors:
 - Existing and proposed affordable housing
 - Existing and proposed transit
 - Existing amenities, specifically schools, public facilities such as senior centers, and grocery stores
- ❖ Developments with high location scores may be eligible for additional subsidy
- ❖ Preference will be given to projects which comprise the following:
 - Projects that offer a portion of units set-aside for households earning 40% of the Area Median Income (AMI) or less
 - Projects with units set aside to serve special needs populations
- ❖ Minimum of 10% of units must be set aside for Wake County voucher holders
- ❖ Awards for applications that meet only baseline affordability requirements set forth in the NCHFA QAP and do not propose deeper affordability will be subject to a maximum per unit subsidy cap.
- ❖ Additional points and funding amounts may be awarded to projects that propose deeper affordability
- ❖ 4% LIHTC project applications will be accepted on a rolling basis until October 1, 2021

- ❖ Non-Tax Credit applications will be accepted on a rolling basis and will be awarded as funds are available

9% LIHTC applications must be received by 4:00 pm on Friday, January 22, 2021. 4% LIHTC applications and Non-Tax Credit applications will be accepted on a rolling basis. Applications must be mailed or delivered to the Wake County Department of Housing Affordability & Community Revitalization office, PO Box 550, 336 Fayetteville Street, 4th Floor Wake County Office Building - Room 421, Raleigh, NC 27602. Contact EHCD staff to schedule and coordinate in-person delivery of application materials. Incomplete applications will not be considered. The \$100 application fee must be included in the application package to be considered complete.
