

ADDENDUM #1

Date: April 27, 2021

RFP Title: Child Welfare Case Management RFI

Owner: County of Wake – Tom Wester, Procurement

RFI Bid No.: 21-030

The following items modify, add, or delete from the Request for Information #21-021. Acknowledge receipt of this addendum in your response.

This addendum consists of 1 page. (8.5 x 11).

In Section 4.0, Appendix A, the omission of 4.19 was a numbering error.

Customer references should contain name, location, title and contact telephone numbers and email addresses.

After reviewing RFI responses, the county has the options of taking no further action or developing and issuing an RFP (Request for Proposals).

Appendix A should be incorporated into the RFI as is and Attachment being the separate document.

Being licensed in the State of NC would be a requirement should the county select a particular vendor. That is not a requirement for submitting a response to the RFI.

Wake County would like the proposed Child Welfare system to be a standalone case management system that would work with (i.e. send requisite documentation to NCFASST via API) NCDHHS NCFASST CCWIS under NPRM 1355.56 (July 2015): "Allow agencies to use legacy systems as the basis of a CCWIS."

At this point, we anticipate approx. 550 system users.

All other information remains as issued
