

Going on a StoryWalk® at Crowder County Park

1

All Done ☒

1. I am going to visit Crowder County Park. When we first arrive at Crowder Park, we will park in the parking lot.

2. I will make sure I stay at least 6 feet apart from people not in my family or group. I might see people wearing masks, and I might have to wear a mask. I am social distancing to stay happy and healthy.

3. Next I will look for the sign that says "StoryWalk® at Crowder". It is at the beginning of the Outer Loop Trail.

4. Then, we will begin to read the book. Some pages will have fun questions and activities for us to do.

5. I will read each page of the book and then move onto the next page. I can keep track by looking for the numbers on each sign.

6. When we finish the story, I can say "hi" to Crowder's turtles by visiting the pond boardwalk. I can also walk around and explore other parts of the park. If I need a break or want leave, I will tell the adult that I am with.

I had a great visit! I hope I can come back soon!
