House Wake! COVID-19 Financial Assistance Program will cover rent and utility shortfalls resulting from a financial hardship due to COVID-19. Through Wake County and the City of Raleigh's partnership with Telamon Corporation, residents can receive financial assistance for any back rent and/or utility bills owed since April 2020, in addition to assistance for the current month. After that, they **may be** eligible for up to three months of additional assistance.

For households where financial assistance is not enough, House Wake! COVID-19 Financial Assistance Program is offering two additional services:

- 1 **Legal counsel for renters**, provided pro bono, for tenants who cannot reach an agreement with their landlords or need legal counsel for mediation services.
- 2 **Relocation Assistance**, for households below 50% of area median income unable to maintain their current home and are at-risk of homelessness due to the COVID-19 pandemic.

To qualify, applicants must:

- ✓ Be a renter living in Wake County.
- ✓ Have an income that does not exceed 80% of area median income (AMI).
- ✓ Have been economically impacted during the COVID-19 pandemic period resulting in the loss of income and inability to pay rent or utility bills.
- ✓ Be at risk of homelessness if rent or utility bills remain unpaid.
