

Lake Crabtree County Park

Employment Opportunity

Wake County Parks, Recreation, and Open Space

Park Aide-Operations Position

Part-time (16-20 hours/week)

\$11/hour

Primary Duties

The operations staff's primary duty is to keep a safe and presentable environment through regular turf and landscape maintenance, janitorial tasks, and various construction and repair projects at Lake Crabtree County Park. Other duties include trail maintenance, enforcement of park rules, assisting boat rental operations, and natural resource management. Operations staff must be willing to work primarily on weekends and occasional holidays. Positions are available on a seasonal basis or year-round. This is a great opportunity to gain experience in the field of Parks and Recreation. For more information, email matt.fryar@wakegov.com.

Qualifications

All applicants must be at least 18 years old and have a valid NC driver's license. Applicants must also be able to perform physical tasks outdoors in all types of weather. Previous experience with landscaping and outdoor maintenance equipment is highly desirable.
