Geocache Description:

Hike in woods has its ups and downs but there is a trail nearby.

Another nice hike in the woods ending at a beautiful view. At dusk you can watch Canada Geese landing at their low lake island roost to the East. Best way to get here is from the Black Creek Greenway. Length of your hike depends upon where you park.

You can drive fairly close to this one but you Do Not have permission to be on their property. You should "Take A Hike" so you can enjoy Mother Nature and get some exercise at the same time.
