### Deputies Arrest 30 During Sex Offender Compliance and Arrest Warrant Enforcement Mission

September 11, 2017 – The Washington County Sheriff's Office Criminal Apprehension Team (CAT) arrested 30 individuals during a six-day enforcement mission focused on out-of-compliance sex offenders and individuals with outstanding warrants.

Between the dates of September 3 and September 8, 2017, CAT members, in partnership with the U.S. Marshals Service and Hillsboro Police Department, conducted an enforcement mission focused on sex offender registration compliance checks and arrest warrant enforcement.

During the six-day mission in Washington County, CAT members conducted 216 home visits, warrant, and compliance checks. Thirty people were arrested or cited as a result of the enforcement mission.

The team arrested or cited eight individuals for being out of compliance with sex offender registration. Team members also arrested 22 people for outstanding warrants.

The highly trained deputies assigned to CAT track and arrest offenders wanted for serious felony crimes. They also verify that registered sex offenders in the county remain in compliance with the laws and their registration requirements.
