Code of Conduct for Crankworx Events in New Zealand

This document outlines the Code of Conduct for all participants and parents/caregivers/guardians who are involved in the Crankworx festivals in New Zealand.

Values:

We are all here because we share a passion for Mountain Biking.

Crankworx has a responsibility to provide a safe, inclusive, and enjoyable environment for everyone involved with a particular focus on our tamariki and rangitahi.

Crankworx therefore expects and promotes respect and courtesy in all interactions between different parties of the festival. Everyone who is involved whether as a participant, parent/caregiver/guardian, or spectator is expected to join with good intentions, and must commit to doing their part to comply with this code of conduct.

Purpose:

This code will:

1. Provide a guideline for the behaviour expected of all riders/participants, parents/caregivers/guardians, family, friends, or any other person involved in Crankworx events in New Zealand.
2. Ensure a safe and inclusive environment for everyone with the welfare of our young people at the centre of everything that is done.
