## Communicable Diseases

---

- <sup>8</sup> In accordance with Idaho Code 33-512 (7), the board of trustees delegates to the Superintendent, or their Designee, the ability:
- <sup>10</sup> To exclude from school pupils with contagious or infectious diseases who are diagnosed or suspected as having a contagious or infectious disease or those who are not immune and have been exposed to a contagious or infectious disease.
- <sup>12</sup> A student with a contagious or infectious disease shall not report to school while they are contagious to others in the school setting. The district reserves the right to require a statement from the student's primary care provider prior to the student's return to school.
- <sup>14</sup> An employee with a contagious or infectious disease shall not report to work while they are contagious to others in the school setting. The district reserves the right to require a statement from the employee's primary care provider prior to the employee's return to work.
- <sup>16</sup> All regulations related to confidentiality will be honored.
