

## The People: Crossing the Red Sea

*Hebrews 11:29-30*

### I. Living our Faith Stories

### II. Uncovering Our Faith Stories

### III. Telling Our Faith Stories

*For Reflection/Application:*

How is the Holy Spirit speaking to you through today's message?

What are some of your own faith stories you want to process more?

What are some of faith stories you have experienced in community?

Pray to Christ for a greater awareness of your faith stories and for opportunities to share them.
