Closing Thoughts

"In the history of mankind many republics have risen, have flourished for a less or greater time, and then have fallen because their citizens have lost the power of governing themselves and thereby of governing their state."

Theodore Roosevelt

"You can choose to look the other way, but you can never say you did not know."

William Wilberforce

"But God chose the foolish things of the world to shame the wise; but chose the weak things of the world to put to shame the strong. God chose the lowly things of this world and the despised things - and the things that are not - to nullify the things that are, so that no one may boast before Him."

1 Corinthians 1:27-29 (NIV)

"The democracy will cease to exist when you take away from those who are willing to work and give to those who would not."

Thomas Jefferson
