

## **Message by Anthony Leong**

**2/16/25**

**Below are listed many of the characteristics that were given in the message on Jezebel by Anthony Leong.**

**These characteristics / this demon lives the inside the person (us), and as a result will manifest out of us.**

**I will refer to the demon / characteristics as Jezebel, She, or Her.**

**The person who is being used by the Jezebel demon may or may not realize the characteristics are active in their life. It's almost certain they are not aware of the demon that is causing them to think, believe, and act in certain ways. THEY DON'T REALIZE THEY ARE DEMONICALLY INFLUENCED AND DRIVEN.**

### **Characteristics of a Jezebel Spirit.**

- 1) She wants to prophecy - posture as spiritual / close with God / can hear and speak for God.**
- 2) She wants to teach.**
  - Be in a position of instructing and leading others.**

**3) She's controlling / dominating.**

- Her goal is to get others to do what she wants.

**4) She looks for weak people that she can control and will gather them around her as supporters and followers.**

**5) She acts out sexually in the person.**

- She may be sensual, is sexually active with individuals who are not the person's spouse, addictions like pornography, etc.

**6) She seduces the leader to do what she wants.**

- This may be sexually.
- Often this often happens through compliments and flattery.
- It can include finding information or helping cause situations that can undermine the credibility of the person - and threatening to expose them if they don't comply with the person's / Jezebel's plans and goals.
- She will work very much like a 'Groomer'. She offers rewards for certain behaviors / choices, but also offers consequence for other behaviors / choices.

**7) She threatens big things - Exposing something, ending a relationship, even threatening death in extreme cases.**

**8) She will use deception to get what she wants.**

- 9) To keep us deceived, she will make us feel like we need to be busy. Go, go go. Because the busier we are, the less time we have to search, hear, and follow the Spirit.**
- 10) It works through the sin of others.**  
**- Any active willful sin in our lives sets us up as targets to be influenced by this person / spirit.**
- 11) She is a master at discipling. She gets people to follow her.**  
**- This is often associated with compliments, flattery, and appearance.**
- 12) She uses flattery to manipulate, control people.**
- 13) She uses her appearance to gain control.**
- 14) She doesn't necessarily want to be the main leader - but she wants to be close to leadership so she can manipulate and use it.**
- 15) She uses other people to do her dirty work so she can look innocent / not guilty of wrong (her prophets).**
- 16) She surrounds herself with spiritual people and leaders who are weak (prophets).**

- 17) She will endeavor to get close to strong leaders, for the purpose of seducing them so they are influenced by her.**
- 18) A true Jezebel always needs an Ahab. (A person / leader who is weak enough to control). If she can't find one, she'll try to make a person into one.**
- 19) When pushed far enough, she'll destroy others lives and reputations to retain control.**
- 20) She pushes into power slowly (not obvious) - she pushes in by assuming authority - typically through serving others.**
- 21) Those strongly under her influence can become suicidal, give up all hope, grow fearful and desperate (Elijah).**

### **How do we Respond to this person / spirit?**

- 1) Pray to see beyond the surface of five sense input. See by the Holy Spirit. (revelation of what's really happening)**
- 2) Stand. Don't move from what is right and Godly. Have Boundaries for yourself.**

- 3) Choose faith and trust in God above what this spirit is saying to you.**
- 4) It's our choice what we do. We don't have to comply with what this person / spirit wants.**
- 5) Voice your position. Speak it out.**
- 6) God is patient, but he will judge this spirit and our attitudes.**
- 7) Stop. Slow Down.**
- 8) Stay aware we were given everything in this life to watch over. We are stewards and will ultimately answer to God for everything.**
