The 2 main objectives for the class:

- #1 - Help you become familiar with this side of the spirit realm and bring some solid scriptural understanding to the subject.
- > For various reasons, this is a subject that tends to become very weird in the Christian realm.

The 2 main objectives for the class:

- #2 - Help prepare you to be able to do deliverance when the situation would arise.
- > Most believers never cast out a demon in their entire life-time. (there are reasons for that.)

## John 16:12-13 (AMP)

[12] I have still many things to say to you, but you are not able to bear them or to take them upon you or to grasp them now.

[13] But when He, the Spirit of Truth (the Truth-giving Spirit) comes, He will guide you into all the Truth (the whole, full Truth).....

## James 4:7 (NKJV)

[7] Therefore submit to God. Resist the devil and he will flee from you.

Two things are paramount in dealing with demons or fallen angels, even if the deliverance doesn't go as it is supposed to:

- #1 - Satan's Power & Authority has been COMPLETELY Removed and Destroyed - Against Believers.
- #2 - The Power of Sin has been COMPLETELY Removed and Cancelled against Believers / those under Grace.
