

**Howard Pittman  
was personally rebuked for  
being Selfish.**

**His life on earth was called an  
abomination, because most of  
what he did was for himself.**

# **Five points for the church:**

**#1) This is the Laodicean church age in which we live today.**

**The overwhelming majority of so-called Christians are, just that, so-called. Mouth professors, but not heart possessors. Unless they wake up, he will spew them out of his mouth.**

**#2) Your adversary is a  
personal and powerful  
adversary. Satan the devil.  
He is anointed.**

**#3) If you ever want God's power to manifest in your life, you have to live the life. You have to walk it, not talk it.**

**#4) As it was in the days of Noah, so shall it be in the days of the coming of the son of man.**

**We have reached the days of Noah once again.**

**In the Bible and history it describes the days of Noah as man having two priorities: “Wealth and Pleasure”.**

**Everything else is secondary.**

**#5) This is the main point that  
he sent him back for.  
Matthew 3:11-12.**

**The baptism of the Holy  
Spirit is going to come with  
Fire. He's going to burn up the  
chaff in Christians. This is the  
real evidence of the baptism of  
the Holy Spirit. That process is  
going to take tribulation.**

**The true baptism of the Holy Spirit will bring Fire into the individuals life. The purposes to burn out the chaff.**
