

Is The Rapture going to be on September 22 or 23, 2025?

Why I believe they're wrong.

a. No one knows the day or hour. (Not men or angels)

b. Jesus doesn't know the day or the hour

> According to the video: a man and Jesus know.....

Matthew 24:36-42 (NIV)

36 No one knows about that day or hour, not even the angels in heaven, nor the Son, but only the Father. 37 As it was in the days of Noah, so it will be at the coming of the Son of Man. 38 For in the days before the flood, people were eating and drinking, marrying and giving in marriage, up to the day Noah entered the ark;

39 and they knew nothing about what would happen until the flood came and took them all away. That is how it will be at the coming of the Son of Man. 40 Two men will be in the field; one will be taken and the other left. 41 Two women will be grinding with a hand mill; one will be taken and the other left. 42 Therefore keep watch, because you do not know on what day your Lord will come.

Mark 13:32 (NIV)

32 No one knows about that day or hour, not even the angels in heaven, nor the Son, but only the Father.

c. Every ethnos / ethnic group is still not reached.

Matthew 24:3 (NIV)

3 As Jesus was sitting on the Mount of Olives, the disciples came to him privately. Tell us, they said, when will this happen, and what will be the sign of your coming and of the end of the age?

Matthew 24:14 (NIV)

4 And this gospel of the kingdom will be preached in the whole world as a testimony to all nations, ("ethnos" - "race, tribe, nation") and then the end will come.

Global Missions Face Urgent Task: 3.4 Billion Still Unreached by the Gospel

Over 6,000 of these unreached people groups are located inside the 10/40 Window, a rectangular area spanning from West Africa to East Asia between 10 and 40 degrees north latitude.

It is estimated that of the 8.08 billion people alive in the world today, 3.42 billion of them live in unreached people groups with little or no access to the Gospel of Jesus Christ, representing 42.4% of the global population. This massive unreached population presents one of the greatest challenges facing Christian missions in the 21st century.

It is estimated that of the 8.08 billion people alive in the world today, 3.42 billion of them live in unreached people groups with little or no access to the Gospel of Jesus Christ, representing 42.4% of the global population. This massive unreached population presents one of the greatest challenges facing Christian missions in the 21st century.

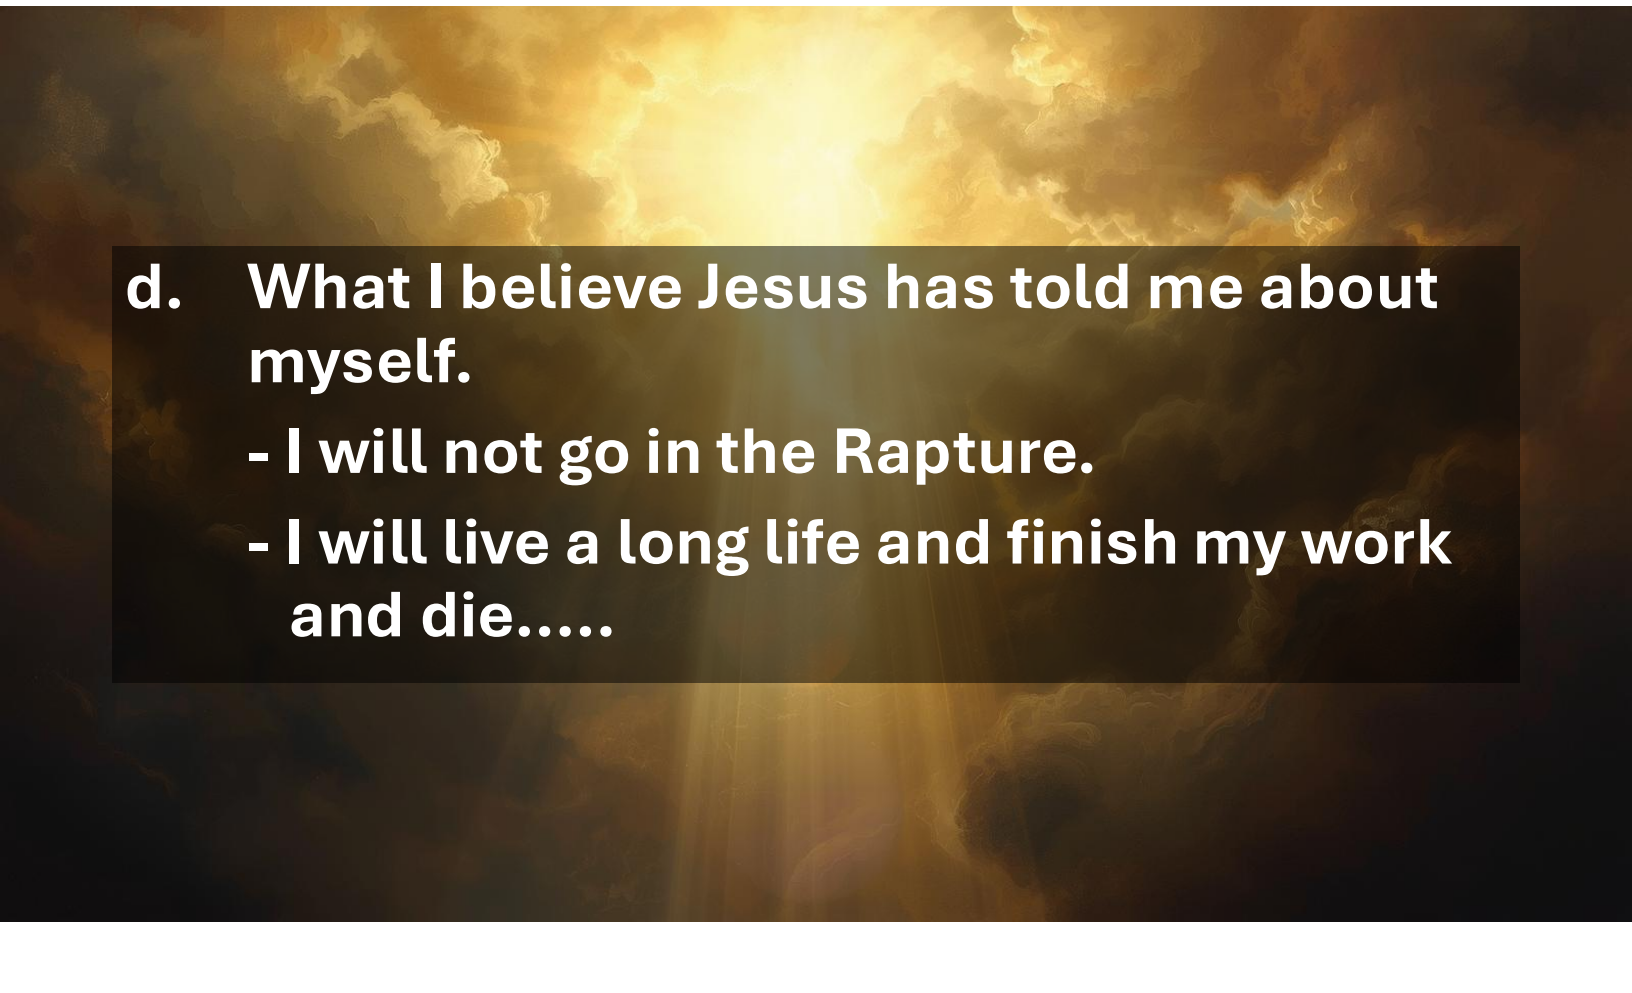

Defining the Unreached

Over 3 billion people in over 7,000 people groups are currently unreached by the Gospel. Unreached peoples and places are those among whom Jesus is largely unknown and the church is relatively insufficient to make Jesus known in its broader community. There's an estimated 7,290 unreached people groups in the world, meaning there are no indigenous Christians living within the community.

The 10/40 Window Concentration

Over 6,000 of these unreached people groups are located inside the 10/40 Window, a rectangular area spanning from West Africa to East Asia between 10 and 40 degrees north latitude. There are currently over 7,400 unreached people groups worldwide, representing roughly 3.37 billion people, with the highest concentration in this strategic region.

- 
- d. What I believe Jesus has told me about myself.**
- I will not go in the Rapture.**
 - I will live a long life and finish my work and die.....**

Conclusion:

1) We'll find out, but I don't think it's happening this week.

- But like Jesus said: we should always be ready.....
