

## Water Taxi Schedule for June 15-21, 2026

Updated June 12, 2026

The Potomac Water Taxi is the only water-based public transportation option in the D.C. metro area; we provide one of the easiest modes of public transportation between The Wharf, Old Town Alexandria, and National Harbor. We offer round-trip transportation from Old Town Alexandria to Diamond Teague Dock in Navy Yard for events at Nationals Park and Audi Field.

Enjoy the ride along the Potomac River!
