

DAOU

Estate Collection Cuvée Katherine

2024

Named for the daughter of Founder Daniel Daou, Cuvée Katherine is an innovative and seamless blend of Cabernet Sauvignon clones from top vineyard blocks on DAOU Mountain.

Cuvée Katherine belongs to our Estate Collection—signifying wines grown in treasured vineyard blocks, selected for special attention, aged extensively in hand-selected, custom-crafted French oak barrels and created with care and devotion. This wine showcases the unrivaled terroir of the Adelaida District in Paso Robles.

Wine Profile

The 2024 Cuvée Katherine presents a striking bouquet of blueberry, pomegranate, cherry, sage and green tea with whispers of thyme, mocha and toasted oak. Fresh and bright on entry, it fills the mouth with flavors of red and blue fruits mingled with notes of dark chocolate, graham cracker, truffle and herb. Energetic tannins carry into a long, full-bodied finish.

The Vintage

The 2024 growing season began with abundant winter rains that replenished the soils and set the stage for healthy canopy development. Up to 21 inches of rainfall was observed, with the last storm landing in mid April. Temperatures remained mild through spring and early summer, followed by a two-week heat event starting in early July. The remainder of summer was marked by warm days coupled with cool evenings—a trend that led to optimal ripening and smaller berries with concentrated flavors. The harvest season saw two heatwaves that were punctuated by sustained cooling-off periods, allowing the DAOU vineyard team to pause and wait for peak maturation before picking. The resulting wines combine density and power with elegance and freshness, delivering a memorable vintage from Paso Robles.

The Estate

Hailed decades earlier as a “jewel of ecological elements” by legendary winemaker André Tchelistcheff, DAOU Mountain was rediscovered by brothers Georges and Daniel Daou in 2007. Their quest for a sublime terroir ended here, on steep slopes that ascend to an elevation of 2,200 feet, all blessed with the type of calcareous clay soil found in the greatest appellations. DAOU Estate Collection wines have since grown to include our most treasured vineyard blocks, earning worldwide critical acclaim and redefining what is possible from Paso Robles.
