VINTAGE

The 2022 growing season was initially marked by winter drought conditions that were alleviated by rains in late March and April—a miracle happenstance that replenished the soils and set the pace for healthy vine canopies to come. A later-than-usual bud break was followed by normal spring and summer weather patterns through August. A sustained 10-day heat wave began in early September, prompting an early harvest that put Daniel's wine growing ingenuity, artistry and experience to the test. In the end, 2022 was a winemaker's vintage, yielding elegantly flavorful and balanced estate whites that prove the importance of mastering grape growing and winemaking.

VITICULTURE

The phenolics produced on this mountain are known to be among the highest in the world, fostering an immensity of color, depth, and structure. To extract the purest and most elevated expression of this terroir, purposeful omission is required. Only select vineyard rows are chosen for PATRIMONY cultivation. By the time the fruit is aggressively thinned, optically sorted, and used only for its free-run juice, a minimal percentage of the total potential yield meets the exacting standard we set for PATRIMONY. Fermentation proceeds exclusively with wild yeasts cultured from DAOU Mountain, imbuing the wine with native texture and character.

TASTING NOTES

PATRIMONY's signature Cabernet Sauvignon returns with the masterful 2022 vintage. Dark crimson-ruby in color, this wine offers a generous bouquet of strawberry, cherry, cocoa and cigar box with suggestions of clove, bay leaf, juniper, white sage, pie crust and sweet oak. The palate impresses with massive structure, unleashing meaty flavors of red fruit, cassis, cedar, baking spice and black pepper. With refined acidity and beautifully integrated oak, it finishes with extraordinary poise, depth and staying power.
